Mr. Leslie T. Rogers  
Regional Administrator  
Federal Transit Administration  
90 Seventh Street, Suite 15-300  
San Francisco, CA 94103-6701

Attention: Ms. Tashia Clemons

Attention: Mr. Ted Matley

Dear Ms. Clemons and Mr. Matley:

With this letter, the California Department of Transportation (Caltrans) transmits Administrative Modification No. 30 to the Rural non-Metropolitan Planning Organization area portion of the California 2017 Federal Statewide Transportation Improvement Program (FSTIP). This modification decreases the programming capacity in the amount of \$9.4 million. The financial plan will be updated to reflect this change in the next FSTIP amendment.

Administrative Modification #30 modifies the programming of the following existing transit and local projects:

Proj #1: CTIPS ID 230-0000-0361, Grouped Project Listing for Capital Assistance – FTA 5311 and 5311(f) – increases the total funding by \$228,000 in Federal Fiscal Year (FFY) 2019 and revises the detailed backup listing of projects. Two new transit projects are funded by FTA 5311 Program.

Proj #2: CTIPS ID 230-0000-0159, Grouped Projects for Safety Improvement – Highway Safety Improvement Program (HSIP) – reduces the total funding by \$8.2 million in various FFYs consistent with Caltrans HSIP listing as of March 29, 2018 and revises the detailed backup listing of projects.

**Calaveras County:**

Proj #3: CTIPS ID 230-0000-0393, BR #00L0051, Singletree Drive over Little Johns Creek, 0.6 mi west of Stagecoach Road – moves Right of Way (RW) delivery schedule from FFY 2017 to FFY 2018.

Proj #4: CTIPS ID 230-0000-0339, BR #30C0024, Calaveritas Road over Calaveritas Creek – information only, reduces Construction (CON) amount in future year and modify project description to match the Caltrans Highway Bridge Program (HBP) listing as of March 29, 2018.

Mr. Vincent P. Mammano/Mr. Leslie T. Rogers

Page 2

Proj #5: CTIPS ID 230-0000-0342, BR #30C0050, Dogtown Road over Indian Creek – moves preliminary engineering (PE) from FFY 2018 to FFY 2020 to match the Caltrans HBP listing as of March 29, 2018.

**Mariposa County:**

Proj #6: CTIPS ID 230-0000-0419, BR # 40C0032, White Rock Rd over Mariposa Creek, 1.6 mi south of Old Hwy – combine project and funding with grouped project listing below CTIPS ID 230-0000-0031 to match the Caltrans HBP listing as of March 29, 2018.

Proj #7: CTIPS ID 230-0000-0418, BR #40C0054, Foresta Rd over Crane Creek, 3.6 mi west of New Big Oak Flat Rd – combine project and funding with grouped project listing below CTIPS ID 230-0000-0031 to match the Caltrans HBP listing as of March 29, 2018.

Proj #8: CTIPS ID 230-0000-0417, BR #40C0055, Foresta Rd over Crane Creek 4.6 mi west of New Big Oak Flat Rd – combine project and funding with grouped project listing below CTIPS ID 230-0000-0031 to match the Caltrans HBP listing as of March 29, 2018.

Proj #9: CTIPS ID 230-0000-0031, Grouped Projects for Bridge Rehabilitation and Reconstruction - Local HBRR non capacity increasing – reduces the total funding by \$1.2 million in various fiscal years and revises the detailed backup listing of projects.

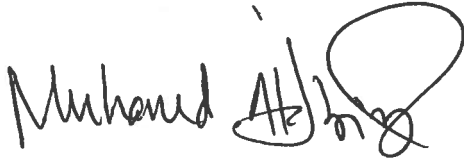

These changes are consistent with the FSTIP Amendment and Administrative Modification Procedures and have no impact on the rural non-MPO financial constraint or air quality conformity. In addition, there are no projects in this administrative modification that are included in any other amendment that is currently open for public review.

Since administrative modifications do not require Federal Highway Administration (FHWA) and/or Federal Transit Administration (FTA) approval, these changes have been incorporated into California's 2017 FSTIP. Please note that the approval of this modification does not constitute an eligibility determination of projects for federal funding.

If you have any questions or comments regarding this modification, please contact Lilibeth Green of my staff, at (916) 654-3521.
